

Aamber Freight

Kosher-Certified Food-Grade Liquid Transportation & Transfer

Company Overview

Aamber Freight specializes in the safe, compliant, and efficient transportation and transfer of kosher, food-grade liquid products. With 9 years of operational experience, we support food manufacturers, processors, and distributors with reliable tanker transport solutions designed to protect product integrity and meet strict quality standards.

What We Do

- 1 Bulk liquid transportation of kosher, food-grade products
- 2 On-site liquid transfer using tanker-mounted pump systems
- 3 Dedicated and spot freight service options
- 4 Regional and long-haul coverage

Products We Commonly Handle

- 1 Oils (vegetable, specialty, and cooking oils)
- 2 Syrups and sweeteners
- 3 Juice concentrates and beverage bases
- 4 Dairy and dairy alternatives

- 5 Other kosher, food-grade liquid ingredients

Why Aamber Freight

- 1 Kosher-compliant operations
- 2 Food-grade equipment
- 3 Pump-equipped fleet
- 4 9 years proven reliability
- 5 Responsive, direct communication
